School Nurse News

Important Immunization Requirement for Rising 6th Graders.

Students must receive a booster dose of Tdap (tetanus, diphtheria, pertussis) vaccine before entering the 6th grade. Remember to schedule an appointment for your child to receive this immunization.

Book Swap

Does your child need some new books to read over Spring Break? You are in luck! Clyde is holding a Book Swap on April 18th. All students are encouraged to bring in at least one book sometime between April 7th and April 17th.

Every student will get to go home with at least one book to read over Spring Break. We would greatly appreciate extra books if you have some that you are not using. Students will be allowed to swap for more books if they bring extras (up to 5).

EOG Testing for 3rd-5th graders will be the first two weeks of June. A testing calendar will be sent home the first week of May. Clyde Students will do amazing!
